A decorative lamp post stands against a clear blue sky. The lamp post has a white globe at the top, followed by a black neck. Below the neck is a Mickey Mouse head sculpture, which is yellow with red ears and a smiling face. The Mickey Mouse head is surrounded by a garland of red and yellow flowers. Below the garland is a pink banner with the word "Disneyland" written in white cursive. The banner is attached to a black pole. In the background, there are green trees and a building with a white and gold decorative railing.
